

Update – Nanox to Participate in the Jefferies Virtual Healthcare Conference

May 27, 2021

NEVE ILAN, Israel, May 27, 2021 (GLOBE NEWSWIRE) -- NANO-X IMAGING LTD (NASDAQ: NNOX) (“Nanox” or the “Company”), an innovative medical imaging technology company, today announces that Nanox’s Chairman and Chief Executive Officer Ran Poliakine will make a company presentation and the leadership team will host investor 1x1 meetings during the Jefferies Virtual Healthcare Conference, which is being held June 1st through June 4th.

Mr. Poliakine’s presentation is scheduled for Friday, June 4, at 10:00am ET. The presentation will be accessible via a live webcast at: <https://wsw.com/webcast/jeff174/nani/1840266>

Interested parties can also access the live audio webcast for this conference from the Investor Relations section of the Company’s website at www.nanox.vision. The webcast replay will be available after the conclusion of the live presentation.

About NANO-X:

Nanox, founded by the serial entrepreneur Ran Poliakine, is an Israeli corporation that is developing a commercial-grade digital X-ray source designed to be used in real-world medical imaging applications. Nanox believes that its novel technology could significantly reduce the costs of medical imaging systems and plans to seek collaborations with world-leading healthcare organizations and companies to provide affordable, early detection imaging service for all.
