### About Nanox

Nanox (NASDAQ: NNOX) is focused on applying its proprietary medical imaging technology and solutions to make diagnostic medicine more accessible and affordable across the globe. The vision of Nanox is to increase the early detection of medical conditions that are discoverable by medical image technologies based on X-rays, which we believe is key to increasing early prevention and treatment, improving health outcomes, and, ultimately, saving lives. We are developing a holistic imaging solution, which includes the Nanox System, comprised of the Nanox.ARC using our novel MEMs X-ray source technology, and the Nanox.CLOUD, a companion cloud software, integrated with AI solutions and teleradiology services. Our vision is to increase early detection of medical conditions that are discoverable by X-ray by improving access to imaging, reducing imaging costs, and enhancing imaging efficiency, which we believe is key to increasing early prevention treatment, improving health outcomes and ultimately saving lives.
